To whom it may concern:

The following is an official exert from the records of the Marlow Annual Town Meeting held March 14, 2015:

Article 17 –Article 17 was addressed next because the tax payer who was presenting an overview of the article needed to leave the meeting early. Article 17 was read by the moderator. A motion was made and seconded to see if the Town will vote to raise and appropriate the sum of Eight Thousand Dollars ($8,000) to allow the Town to participate in Plan NH with the purpose of crafting a community design and economic opportunity for incoming businesses that is consistent with Marlow's rural and village character. The Selectmen recommend this appropriation. Discussion followed including an explanation of how Plan NH could help Marlow in any future development while preserving the rural aspects of the town. Article 17 **passed** by voice vote.

If a full copy of the minutes of said meeting are needed, please contact Mary Avery, Town Clerk, Marlow, NH.
