WE NEED YOU!

Are you a **medical professional** or **non-medical community member** 18 years or older?

Looking to volunteer within Cheshire Medical Center, Monadnock Community Hospital, or support the potential need for an Alternate Care Site?

Cheshire Medical Center, Monadnock Community Hospital and the Greater Monadnock Medical Reserve Corps are partnering with the community to recruit volunteers in this region should the need arise for additional support.

We thank you in advance for your commitment to supporting the health and wellbeing of our region.
