May 13, 2019

Our Library Trustees Meeting began @ 6:10.

It seems the State of New Hampshire has a new R.S.A. stating that our report needs to be sent to them on or in places in our town.

The minutes of our last meeting were passed and accepted.

Dan McCann has resigned from our group effective June 8th.

The Library was hoping a Cookbook Club would meet here but no one showed up. We will try again after our renovation.

Speaking of renovations we need to move many items. It was mentioned that perhaps Marlow Storage will be asked if we can use a unit.

It was suggested that

R.E.D. may be able to be used with library money. Presently it is $500. per month for the electricity. A humidifier is being used during the summer. Oil is used to heat presently.

The new N.H. R.S.A. requires posting copies of the approved minutes on our web site.

All of the furniture here has been measured (in the library).

We chatted about where books can be when the new library is finished.

Jen was asked if we would use a spread sheet for tracking people.

We want parents to be able to entertain children here in our library as a community center.

We chatted about having Jim Percora come and talk about mica. Sandy Dalo, Sec.
