For Teachers:

It's National Dairy Month!

It only takes about 48 hours for milk to travel from the farm to you. Use the additional resources and activities below to help your students understand where their milk comes from and the role dairy farm families play in producing a wholesome, nutritious product that goes from the farm to glass in as little as two days.

Monadnock Mobile Food Pantry SURVEY

WE NEED YOUR INPUT!
The Monadnock Mobile Food Pantry is in the initial planning stages with the objective to bring healthy fresh food to residents of Cheshire and Hillsborough Counties who are food insecure and/or have substantial obstacles to food access due to transportation, income or other factors.

The purpose of this survey is to gather information about the community's interest in a mobile food pantry in order to secure food for all community members.
