

PROCLAMATION

WHEREAS, children are the future of our town, our state, our country, and our world and deserve to prosper and flourish in a safe and loving environment, rather than live in fear or as a victim of abuse; and

WHEREAS, by keeping family and community members aware of the signs and dangers of child abuse, we can help prevent and protect these children from all forms of abuse and neglect; and

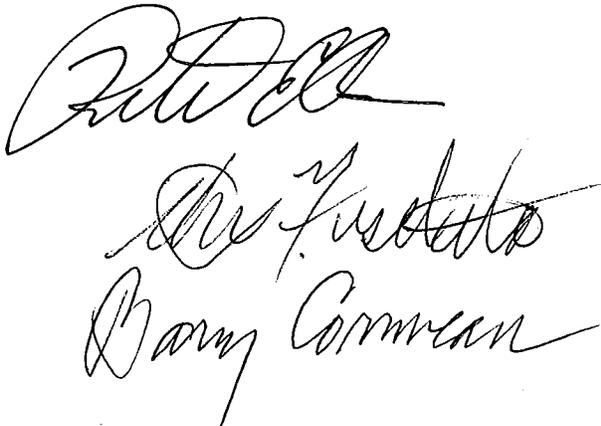

WHEREAS, the Cheshire County of New Hampshire has dedicated individuals and organizations such as Monadnock Region Child Advocacy Center and many others, who work daily to recognize, identify and fight against child abuse and neglect; and

WHEREAS, child abuse prevention is most effective when all aspects of the community participate and report any signs of child abuse and neglect, as all adults in New Hampshire are mandated reporters of child abuse, as emphasized by the Granite State Children's Alliance's "Know and Tell" campaign.

NOW, THEREFORE, We, by virtue of the power and authority vested in us as the Select Board of Morlow, New Hampshire do hereby proclaim the month of April, 2019, as does the federal Children's Bureau as,

"CHILD ABUSE PREVENTION MONTH"

Across Cheshire County, we encourage fellow citizens, community agencies, medical facilities, educational facilities, and all businesses to increase their participation in supporting families thereby preventing child abuse and protecting our communities.
