TOWN OF MARLOW

JOB VACANCY

HEAVY EQUIPMENT OPERATOR/EQUIPMENT MECHANIC

The Town of Marlow is accepting applications to fill one Heavy Equipment Operator/Equipment Mechanic position. This is a full time position. Job responsibilities include a variety of routine semi-skilled duties involving driving, basic routine year-round maintenance and repair of the town's roadway systems, including snow removal and maintenance of town-owned facilities and grounds.

The successful applicant needs to be in possession of a NH CDL license with air brake endorsement as well as experience in road maintenance. Applicant must have a clean driving record and will be subject to pre-employment drug and alcohol test.

The position includes a significant amount of physical activity including lifting and carrying heavy equipment and materials. A physical may be required before the position can be confirmed.

Interested persons may obtain an application from the Marlow Town Office 446-2245 or on the town website.
