Honor Flight New England is a 501(c)3 non-profit organization with one goal – to take New England area WWII and Korean veterans on a one-day trip to Washington, DC to visit and reflect at the memorials that were built in their honor. Since June of 2009, Honor Flight has made this dream come true for over 1300 veterans. The trip is **completely free** to the veterans – they paid the price through the sacrifices they made many years ago.

If there are WWII or Korean War veterans in your town that have not yet made the trip with us, please encourage them to apply. You can visit our website ([honorflightnewengland.org](http://honorflightnewengland.org)), email us at [honorflightnewengland@gmail.com](mailto:honorflightnewengland@gmail.com) or call us at 603-518-5368 for more information.

The Honor Flight trip is filled with emotions and unforgettable memories; these Heroes deserve so much, yet ask for so little. Many describe it as one of the best days of their life, and family members say that the veteran never stops talking about it. For some veterans, the trip brings closure.

**Please help us to show those that served that AMERICA HAS NOT FORGOTTEN THEM!**

If your agency or those that you work with would like a speaker for an upcoming meeting, please feel free to let us know. We would be pleased to provide information about our services.

We would greatly appreciate it if the enclosed flyer could be posted in a public place in your town. Please let us know if we can send additional copies.

**We are in a race against time – together we can give these Heroes the recognition they deserve.**

An Honor Always,
