CHESHIRE COUNTY
CONSERVATION DISTRICT

The Cheshire County Conservation District partners with local farmers' markets to celebrate Cheshire County Veterans! **Each market day in September Cheshire County Veterans are invited to participating farmers' markets to receive a \$20 voucher to purchase food items.**

Cheshire County Veterans are invited every week, and will receive another \$20 each week they attend! The goal of this program is to show our gratitude and appreciation to service members for protecting our freedoms, and to expand markets for farmers.

What better way to show appreciation than through the gift of farm fresh, healthy food?!

This program in Cheshire County is not based on need, but rather serves as a way for our community to say "Thank you" to our local service members for protecting our freedoms. This program also serves to boost the local farm economy by bringing more business to our local markets – a win/win for the Veteran and the farmer!
